

**Holy Name of Jesus School
Mission Statement**

By the grace of God, and because of the foresight, ingenuity, and sacrifice of many generations of Holy Name of Jesus' pastors and parishioners, the school has stood with its doors opened wide since 1885.

We, who comprise Holy name of Jesus School –its parents, educators, administrators, and benefactors, – understand the sole reason for its existence the children.

For the children...

..... We continue the teaching ministry of Jesus and the Holy Roman Catholic Church, teaching with Love, caring, Encouragement, and respect so that the children will reach their highest individual potential.

....We prepare them to live their lives as members of the Roman Catholic Community through preparation for the sacraments, and participation in the liturgy and traditions of our church.

....We prepare them academically to be well rounded citizens of this great city, state, and nation, as we help them realize the importance of accepting their responsibility for maintaining all the blessing we have be given, and to serve others.

We pledge to continuously strengthen the Catholic identify of our school and our children. We are united in our commitment to build on the academic curriculum in an effort to achieve the highest standards of excellence. Our children's academic advancement and their spiritual well being are the hallmarks of our existence.
